TERM ONE NEWSLETTER 2012

PARENTS & STUDENTS;

Thank you all for a wonderful Term One. I am proud to say that my students are on their way to becoming very well rounded, enthusiastic, up for the challenge dancers! Thank you for all your help and hard work this year.

Term One is drawing to a close and I have attached a new enrolment form for Term Two, along with a timetable. I am pleased to announce that HYPE PERFORMING ARTS ACADEMY will now be offering a 7-9yrs Ballet Class.

Coming up in the school holidays HYPE PERFORMING ARTS

ACADEMY is offering an allround Performing Arts Holiday Workshop where students will get the chance to dance with professional dancers, learn the disciplines of drama with a professional actor, and get fit whilst having fun with our personal trainer. The holiday workshop will run for 2 full days from 8am-5pm where your children can be energetic, have fun, socialise, and learn within a safe environment.

Towards the end of Term Two, our students will be performing in our OPEN DAY, where families and friends are encouraged to attend and watch. Our students will showcase their skills and knowledge of dance with classwork

and choreography. It is a fun afternoon for families to mingle, and for us all to enjoy watching our children showcase their talents and achievements.
